PROGRAMS

Summer Camp: Serves economically disadvantaged children from the greater Indianapolis area. Camp scholarships enable qualifying children to attend the week-long camp for only \$85. Children receive three home-cooked meals a day, 24-hour supervision and round-trip transportation. Camp is held five times a year and serves over 600 children.

Asthma Camp: For over 20 years, this session is staffed by 20 medical volunteers, including doctors, respiratory therapists, nurses, and pharmacists. The goal of this camp is to educate children with asthma on how to remain active while controlling their medical condition. Asthma Camp is held one week a year and serves up to 120 children. Happy Hollow's Asthma Camp is the only residential asthma camp in Indiana. Campers improve their problem-solving, character quality traits, self-confidence, peer relationships and team building while at camp.
